

**RUBBING TUNA FISH IN  
YOUR ARMPITS  
DOES NOT MAKE A GOOD DEODORANT**

*and*

**ITCHY RED SKIN SPLOTCHES  
CAUSED BY ABUSING PRESCRIPTION DRUGS  
LOOK NASTY**

**PAINFULLY OBVIOUS**

Abusing prescription drugs can lead to addiction. Side effects may include such visible symptoms as hair loss, severe weight loss and very ugly rashes. Abuse can also lead to death. For more information go to [www.painfullyobvious.com](http://www.painfullyobvious.com)
